- > Geometric Dimensioning & Tolerancing
- > Blueprint Reading
- > Jigs and Fixtures
- > Mathematics
- > Technical Drawing
- > Basic Die Design

### NIMS Credentials

- > Credentials in specific occupational competencies
- > Based on Nationally Standardized Performance Measures and Knowledge Examinations

### Locations

- > Central Westmoreland CTC  
New Stanton
- > Northern Westmoreland CTC  
New Kensington
- > Anselmo Training Innovation Center  
South Side of Pittsburgh

#### Affordable Solution

Companies can combine the program with structured OJT hours

#### Hands-On Instruction

Years 1 and 2  
at all sites

Classes begin in September

*\*To meet the Pennsylvania State requirements for journeyman status, an apprentice must register with the state and attend 144 classroom hours concurrently with 2000 hours of practical on-the-job experience per year with their employer. The NTMA does not discriminate with regard to race, creed, color, religion, gender or gender identity, age, national origin, ancestry, or non-job-related disability.*
